 1. Athlete selection order is based on their ranking using the highest pentathlon score achieved by the athletes at a Senior UIPM sanctioned International Pentathlon Competition within the previous 12 months from the time of submission of Entry Form A or the most recent Senior Canadian National Championships.
 - In the event of a tie in scores the international score will be the priority score over a Canadian National Championship score.
 - In the event of a tie in International competition scores the second highest score of each athlete will determine the selection priority.
 - In the event of a tie in scores that occurred in the same competition the athlete with the best result in the Laser-Run will be placed in the higher position.
