

PENTATHLON CANADA
Internal Nomination Process (INP)
UIPM World University Championships

This document outlines the policies for Pentathlon Canada's University Team selection and competition qualification requirements.

Introduction

For clarifications or questions on the content of the INP, please contact the Pentathlon Canada HPD at ian.soellner@gmail.com.

Policy amendments due to unforeseen competition scheduled disruptions will be communicated to Pentathlon Canada members.

Pentathlon Canada University Team Selection

- Standards and criteria captured in the NT Selection Policy must be satisfied.

World University Championship Selection Criteria

- Athletes must be studying in a post-secondary institution, as per FISU's and U Sports' criteria.
 - Currently officially registered as proceeding towards a degree or diploma at the university or similar institute, the status of which is recognised by the appropriate national academic authority of their country;
 - Or, be a former student of the institutions previously mentioned who have obtained their academic degree or diploma in the calendar year preceding the event.
- Be at least 18 and no older than 25 years of age on the 31st December of the year of the event.
- UIPM riding license (if the event includes the ride)
- Athletes must be in the 'athlete pool.'
- Number of selected athletes is based on the available individual spots per gender.
- Number of selected athletes is based on the available relay events.
- Selection is based on the following in priority order:
 - Athlete selection order is based on their ranking using the highest pentathlon score achieved by the athletes at a Junior or Senior UIPM sanctioned International Competition within the previous 12 months from the time of entry submission or the most recent Junior/Senior Canadian National Championships.
 - Competition scores achieved at either Senior or Junior division competitions will be compared directly with equal priority.
 - In the event of a tie in scores the international score will be the priority score over a Canadian National Championship score.
 - In the event of a tie in International competition scores the second highest score of each athlete will determine the selection priority.
 - In the event of a tie in scores that occurred in the same competition the athlete with the best result in the Laser-Run will be placed in the higher position. If the tie remains, the athlete with the best result in the immediately previous phase (fencing or swimming), and so on will be placed in the higher position.
